

Union City Housing Authority Community Pavilion

Making a Difference!

For more than 70 years the Union City Housing Authority (U.C.H.A) has served the Union City community. For 40 years the UCHA through its Hillside Pavilion, located at 3901 Kennedy Boulevard within its five-building complex, has been a center of culture, social and educational activities. The Pavilion with its modern and spacious design of multipurpose rooms allows for maximum flexibility to respond to the unique needs of the community.

The activities hosted at the Pavilion have included:

- COVID-19 Vaccine Information and Distribution Center: Twice a week (Thursdays from 9:00 Am to 1 PM and Saturdays from 1:00 pm to 4:00 pm) people can receive needed information about the vaccine and the vaccine itself from medical personnel.
- Training Center for Autism and Special needs students: Throughout the year, every Tuesday from 9:00 AM 12 Noon.
- Basketball Sport Activities for children (boys and girls) of ages between 5 and 18: Every Monday, Tuesday, and Wednesday from 4:00 PM to 8:00 PM
- After school homework: a safe space for children to complete their homework from Monday to Friday.
- Day Care Services: Monday – Friday; children are provided with activities and food.
- Senior Services: Outings and excursions offered such opportunities for community integration and improvement in quality of life. For example, every Tuesday from August 9th to August 28th, seniors went to Chili's in Secaucus – the participants had dinner and social interaction. The UCHA was the host.

All these multiple pavilion activities have been made possible by the U.C.H.A. Executive Director Mr. Stanley Sanger and staff and the support of UNION CITY Mayor Brian P. Stack and his team of commissioners.
